Enforcement Notice: E/0337/33/11
Issued By: Taunton Deane Borough Council ("the Council")
Land at Crossways Curland Taunton

1. This Enforcement Notice is issued by the Council because it appears to them that there has been a breach of planning control, within paragraph (a) of section 171A(1) of the above Act, at the land described below. They consider that it is expedient to issue this Enforcement Notice, having regard to the provisions of the development plan and to other material planning considerations. The Annex at the end of the Enforcement Notice and the enclosures to which it refers contain important additional information.

2. The Land To Which The Enforcement Notice Relates
Land at Crossways Curland Taunton Somerset shown edged red on the attached plan.

3. The Matters Which Appear To Constitute The Breach Of Planning Control
Without planning permission:-

a) the erection of a structure comprising of scaffold poles and tarpaulin sheets and galvanized steel sheeting, within the area shown edged blue on the attached plan and as shown on the 2 attached photographs; and
b) change of use of part of the Land within the area shown edged blue on the attached plan from agricultural use to use for the stationing and construction of a carnival float

4. Reasons For Issuing This Enforcement Notice
It appears to the Council that the above breach of planning control has occurred within:-

a) the last four years in respect of the erection of the structure; and
b) within the last 10 years in respect of the change of use of the Land for the stationing and construction of a carnival float.

a) With regard to the unauthorised structure, it is located directly adjacent to the boundary of the neighbouring property and is considered to be detrimental to the visual amenity of the neighbour.

b) With regard to the unauthorised change of use, the stationing and construction of a carnival float is a non agricultural function located within a farmyard complex and is not ancillary to the existing agricultural use. Work carried out in connection with the construction of the carnival float has been

carried out in the evenings and on occasions has not ceased until 23:00/23:30 hrs. The noise arising from the construction causes a disturbance to nearby residents and to horses stabled in the adjacent neighbouring property.

The unauthorised development and unauthorised change of use is considered to be contrary to policies S1(D) & (E) (General Requirements) and S2(A) (Design) of the Taunton Deane Local Plan; and policy DM1 (General Requirements) of the Taunton Deane Core Strategy 2011 - 2028; and guidance contained in the National Planning Policy Framework

The Council do not consider that planning permission should be given, because planning conditions could not overcome these objections.

5. What You Are Required To Do

a) Remove the structure constructed of scaffold poles, tarpaulin sheets and galvanized steel sheeting from within the area edged blue on the attached plan; and

b) Cease any construction work on the carnival float within the area edged blue on the attached plan.

6. Time For Compliance

4 months from the date that this Enforcement Notice takes effect.

7. When This Enforcement Notice Takes Effect

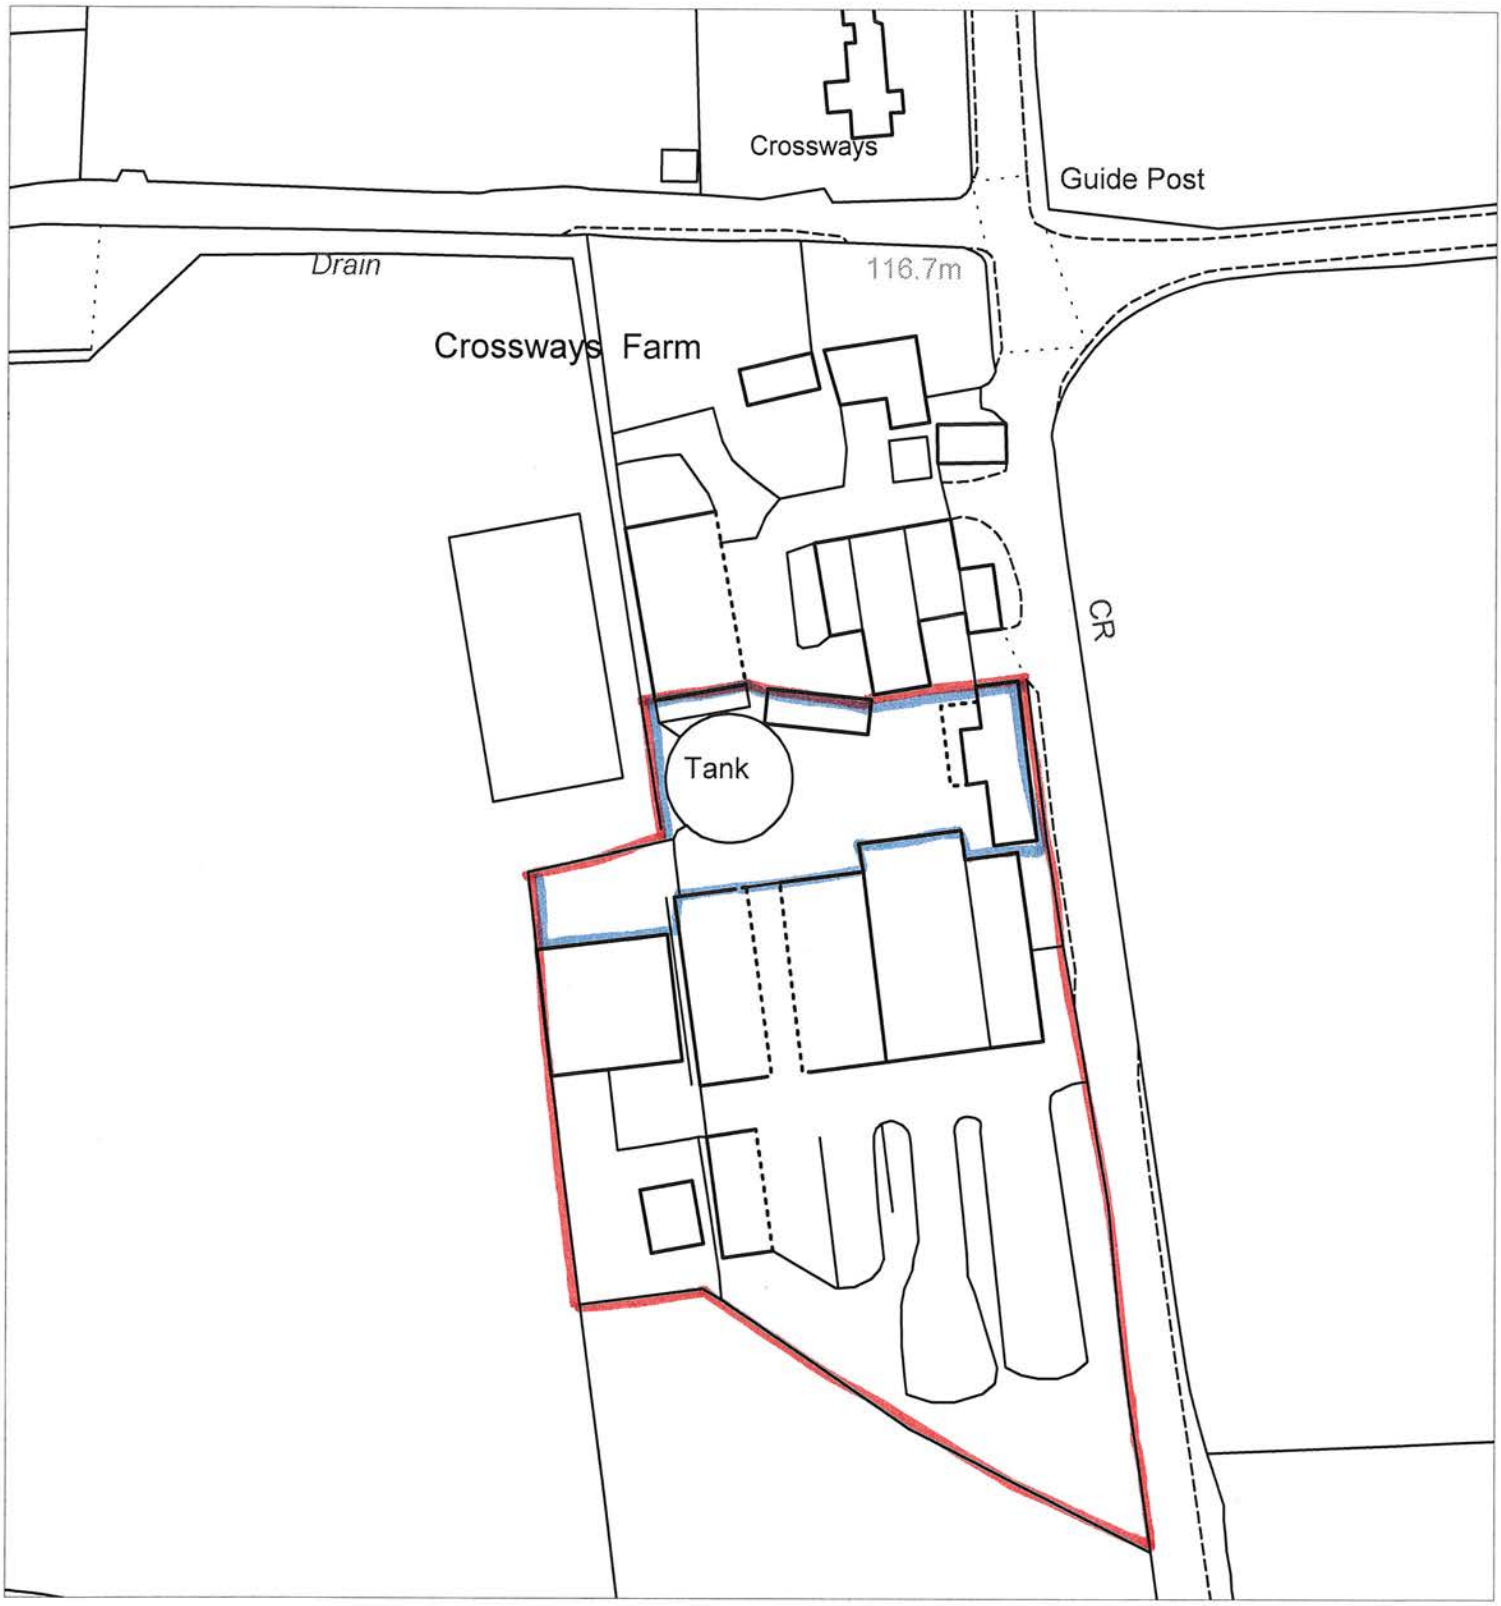

This Enforcement Notice takes effect on 30 August 2012 unless an appeal is made against it beforehand.

Enforcement Notice relating to Land at Crossways Curland Taunton

This local planning authority, Taunton Deane Borough Council, has issued an Enforcement Notice relating to the above land and I now serve on you a copy of that Enforcement Notice as you have an interest in the land. Copies of the Enforcement Notice are also being served on the parties listed at the end of this letter who, it is understood, also have an interest in the land.

Your Right of Appeal

There is a right of appeal to the Secretary of State (at The Planning Inspectorate) against the Enforcement Notice. Unless an appeal is made, as described below, the Enforcement Notice will take effect on 30 August 2012 and you must then ensure that the required steps, for which you may be held responsible, are taken within the period specified in the notice.

Please see the enclosed information sheet from The Planning Inspectorate which tells you how to make an appeal.

If you decide that you want to appeal against the Enforcement Notice you must ensure that you send your appeal soon enough so that normally it will be delivered by post/electronic transmission to the Secretary of State (at The Planning Inspectorate) before 30 August 2012.

Under section 174 of the Town and Country Planning Act 1990 (as amended) you may appeal on one or more of the following grounds:-

(a) that, in respect of any breach of planning control which may be constituted by the matters stated in the Enforcement Notice, planning permission ought to be granted or, as the case may be, the condition or limitation concerned ought to be discharged;

(b) that those matters have not occurred;

(c) that those matters (if they occurred) do not constitute a breach of planning control;

(d) that, at the date when the Enforcement Notice was issued, no enforcement action
could be taken in respect of any breach of planning control which may be constituted by those matters;

(e) that copies of the Enforcement Notice were not served as required by section 172;

(f) that the steps required by the notice to be taken, or the activities required by the Enforcement Notice to cease, exceed what is necessary to remedy any
breach of planning control which may be constituted by those matters or, as the case may be, to remedy any injury to amenity which has been caused by any such breach;

(g) that any period specified in the Enforcement Notice in accordance with section 173(9) falls short of what should reasonably be allowed.

Not all of these grounds may be relevant to you.

If you appeal under Ground (a) of Section 174(2) of the Town and Country Planning Act 1990 this is the equivalent of applying for planning permission for the development alleged in the notice and you will have to pay a fee of £670.00. You should pay half of the fee (£335.00) to the Taunton Deane Borough Council (made payable to Taunton Deane Borough Council) and the other half of the fee to the Planning Inspectorate (made payable to the Department for Communities and Local Government). Joint appellants need only pay one set of fees.

If you decide to appeal, when you submit it, you should state in writing the ground(s) on which you are appealing against the Enforcement Notice and you should state briefly the facts on which you intend to rely in support of each of those grounds. If you do not do this when you make your appeal the Secretary of State will send you a notice requiring you to do so within 14 days.
