Issued By: Somerset West and Taunton Council ("the Council")

1. ENFORCEMENT NOTICE

This is a formal notice issued by the Council because it appears there has been a breach of planning control, within paragraph (a) of section 171A(1) of the TCPA 1990, at the Land. It is considered expedient to issue this notice, having regard to the provisions of the development plan and to all other material planning considerations. The Annex at the end of the notice and the enclosures to which it refers contain important additional information.

2. THE LAND TO WHICH THE NOTICE RELATES

Land at **Deep Springs, Hatch Beauchamp, Taunton, TA3 6TH** shown edged red on the attached plan (the Land).

3. THE MATTERS WHICH APPEAR TO CONSTITUTE THE BREACH OF PLANNING

3.2 Without planning permission, the material change of use of the Land from use for agricultural/equestrian use to B8 Business storage use by way of storage of building materials, vehicles and items not associated with an agricultural/equestrian use Examples of such unauthorised items as shown on the photographs numbered 3 – 6 attached to this Notice.

4. REASONS FOR ISSUING THIS NOTICE

the landscape and countryside. It represents creeping development into an open field which impacts on the rural character of the area with no justification or overriding public benefit.

The open storage of building related items and vehicles on the Land is detrimental to the visual amenities and landscape character of the rural area within which the Land is located. In addition, the storage of the building related items and vehicles on the Land is not reasonable or necessary for the purposes of an agricultural and/or equestrian use.

The unauthorised use of the Land is contrary to Policies DM1 (General Requirements); DM2 (Development in the Countryside); DM4 (Design); and CP8 (Environment) of the Taunton Deane Borough Council Adopted Core Strategy 2011 - 2028 and guidance within the National Planning Policy Framework;

The Council consider that planning permission should not be given, because planning conditions could not overcome these objections to the development.

(i) Remove from the Land the Structure.
(ii) Remove from the Land all building materials and rubble arising from compliance with requirement 5 (i) above.
