Operational Development

Town and Country Planning Act 1990 (as amended by the Planning and Compensation Act 1991)

Enforcement notice

Issued by: Taunton Deane Borough Council

1. **This is a formal notice** which is issued by the Council because it appears to them that there has been a breach of planning control, under section 171A(1)(a) of the above Act, at the land described below. They consider that it is expedient to issue this notice, having regard to the provisions of the development plan and to other material planning considerations.

2. **The land affected**

The lower section of the barn conversion at Chestnut Farm, Helland, North Curry shown edged red on the attached plan.

3. **The breach of planning control alleged**

Without planning permission, the alteration of the lower section of the barn conversion (including the raising of the front (eastern) wall and the provision of a gabled roof), not in accordance with the approved plans.

4. **Reasons for issuing this notice**

It appears to the Council that the above breach of planning control has occurred within the last four years.

The new roof of the single storey section of the barn conversion has changed the overall appearance of the barn and therefore has a detrimental impact on the visual amenity and character of the converted barn contrary to Taunton Deane Local Plan Policies S1(D) and S2.

The Council does not consider that planning permission should be given because planning conditions could not overcome these objections to the development.

5. **What you are required to do**

Dismantle the unauthorised roof provided on the single storey section of the barn conversion and reduce the height of the front (eastern) wall of the barn at Chestnut Farm, Helland, North Curry and then re-construct the roof in accordance with the plans approved by the Local Planning Authority.

Time for compliance: 6 weeks after this notice takes effect.

6. **When this notice takes effect**

This notice takes effect on 9 August 2007 unless an appeal is made against it beforehand.

Dated: 5 July 2007
